NITIN KARISHETTI

MECHANICAL ENGINEERING STUDENT

8197771315 | nitinkarishetti@gmail.com | Sankeshwar, Belagavi, Karnataka

PROFILE:-

Motivated Mechanical Engineering student with foundational skills in AutoCAD, machining, metrology, and workshop practices. Gained hands-on industrial exposure through an internship involving turning, drilling, tapping, honing, and boring operations. Eager to contribute to college-club activities through teamwork, practical problem-solving, reliability, and a willingness to learn.

CORE SKILLS:-

- **Technical:** Basic AutoCAD (2D drafting), mechanical part drawings, lathe and milling operations, drilling, tapping, honing, boring
- **Measurement & Quality:** Vernier caliper, micrometer, dial gauge, surface plate, basic inspection and process monitoring
- **Transferable:** Teamwork, communication, adaptability, problem-solving, time management, willingness to learn

INDUSTRIAL EXPERIENCE:-

Internship Trainee **21 Dec 2025 – 25 Mar 2026**

Sandeep Engineering and Development

- Assisted with turning, drilling, tapping, honing, and boring operations.
- Observed manufacturing processes for wheel cylinders, oil pumps, and engine components.
- Supported quality-control checks and process-monitoring activities.

EDUCATION:-

COURSE	BOARD / AUTHORITY	YEAR / RESULT
Diploma in Mechanical Engineering	DTE, Karnataka	87% | 2026
SSLC	KSEEB	87.52% | 2023

COLLEGE CLUB CONTRIBUTION

Ready to support club events, workshops, demonstrations, and team projects. Interested in learning from peers, sharing practical workshop knowledge, and taking responsibility for assigned tasks.
